Learn More About Evergreene
Homes' Realtor Co-Op and
Agent Representation
Guidelines!

Evergreene Homes loves working with Realtors!

We understand the purchase of a house is a big commitment and the guidance from a real estate professional can provide a level of security and comfort throughout the process. As a builder, we recognize and appreciate the Buyer-Realtor relationship, and offer a generous **Realtor Co-Op*** for agents that represent our purchasers.

Evergreene Homes requires agents to accompany buyers on their first visit to an Evergreene home/community in order to register their clients with the sales manager. If a Realtor is unable to attend the first visit to the site, the Realtor should call or email the community sales manager to preregister their client before the visit. Additionally, buyers must identify their agent with the sales manager at their first visit. Realtor/Client registrations expire after 60 days and will require a re-registration. Buyers who are acting as their own Realtor are not eligible to receive a Co-op Commission.
